

## CHARITY STALL

Eastbourne Emergency Services Display is the largest of its kind in the country. The format sees a weekend of interactive and static information being offered from the three main emergency services together with the RNLI and HM Coastguard.

In addition to the information marquee there are outdoor exhibits, arena and sea based demonstrations, fairground rides, refreshments and a French Market close by.

The event has been running for 25 years and in 2012 will take place between 07-08 July.

Eastbourne Emergency Services Display is offering Charities the opportunity to exhibit on the open air site which will be the Western Lawns on Eastbourne's historic seafront.
